

since 1910
Wendl & Lung
 Tradition – Innovation

Mod. 115 – Transparent

Technical data

- » Aesthetic piano design with large music desk.
- » Unique piano construction, ensuring both a clear Viennese tone and an attractive appearance.
- » Climate-proof multi-laminated pin block – giving excellent long-term tuning stability.
- » Our distinctive Wendl & Lung piano action – allowing a precise and even touch.
- » The key frame and key bed are made of aluminum – resistant to changes in temperature and humidity.
- » The keys consist of 17 laminated layers with an additional hardwood segment – highly resistant to climatic fluctuations.
- » Extra large piano wheels – facilitating ease of movement.
- » The Wendl & Lung Mute System – allowing for discreet piano practice, even at night.
- » Metal foot pedal plate – protecting the fine cabinet board around the pedals.

The subtle and well balanced sound offers the best piano playing experience for both beginners as well as advanced students.
